UNITED STATES OF AMERICA, : 02 Cr. 649 (TPG)

- against - : Memorandum

MITCHELL E. MOSALLEM, :

Defendant. :

----- X

This is in response to Mr. Mosallem's letter of May 14, 2009. He will continue to have permission to travel to Mexico on family matters, as he has done previously. However, the request to terminate the two-year Supervised Release term after one year, is denied. Supervised Release in no way interferes with Mr. Mosallem's attempts to care for his daughter.
